Dear Hayley,

Technology Metals Australia Limited (ASX: **TMT**) ("**Technology Metals**" or the "**Company**") requests a trading halt of its securities pursuant to ASX Listing Rule 17.1 pending the release of drilling results in respect of its Gabanintha Vanadium Project.

The Company requests that the trading halt be effective immediately and remain in place until the earlier of the commencement of normal trading on Thursday 20 April 2017, or the release of an announcement by the Company in relation to today's announcement.

The Company is not aware of any reason why the trading halt should not be granted.

For, and on behalf of, the Board of the Company,

Ian Prentice
Executive Director
Technology Metals Australia Limited

About Technology Metals Australia Limited

Technology Metals Australia Limited (ASX: TMT) was incorporated on 20 May 2016 for the primary purpose of identifying exploration projects in Australia and overseas with the aim of discovering commercially significant mineral deposits. While the Company's primary exploration focus will be on vanadium in the mid-West region of Western Australia, the Company will also review the potential for economic mineralisation of various other commodities. The Company intends to seek, evaluate, review and if appropriate acquire interests in additional resource based projects with a focus on technology and precious metals.
